

Sobre Poul Harboe

Se ha encontrado poca información de Poul Harboe. Se sabe que fue administrador del castillo de Egeskov, al sur del pueblo de Ringe (Lammershave) en Fionia, Dinamarca, donde él nació. Durante el período de su administración, el castillo pasó de ser propiedad de la familia Brockenhuus a manos de Jacob Ulfeldt.

Su hermano Christopher lleva como segundo nombre "Jensen" (hijo de Jens) por lo que hemos deducido que el padre de ambos se llamaba Jens Harboe, aunque de él no se ha encontrado nada.
